

HUZAIFA NAEEM

Senior Product Designer

+92 324 2237858 | huzafnaeem06@gmail.com | LinkedIn | Behance | Karachi, Pakistan | Remote

PROFILE

Highly experienced Senior Product Designer with 5+ years of experience in brand identity, graphic design, and UI/UX, and 2.5+ years focused on end-to-end digital product design. Proven track record of delivering successful projects, including an 8-platform UK Government digital transformation initiative. Skilled in designing outcomes that drive real business results, with expertise in eCommerce UX, enterprise SaaS, and government platforms.

EXPERIENCE

Senior Product Designer — GYB Commerce

Jan 2026 – Present | Karachi, Pakistan | Full-time, On-site

- Sole designer on an 8-platform UK Government digital transformation project, delivering 200+ screens from discovery to developer handoff using AI-augmented workflows.
- Led end-to-end redesign of GYB Commerce's main website, repositioning the brand at an international agency level.
- Built and maintained scalable Figma design systems used across multiple live products with complete developer handoff documentation.

Product Designer — GYB Commerce

Jan 2024 – Dec 2025 | Karachi, Pakistan | Hybrid

- Designed UI/UX for eCommerce product pages, category flows, and conversion-focused funnels across tech and retail clients.
- Delivered brand identity systems, including logo, color, typography, and digital asset guidelines for multiple client brands.

Product Designer — InnovaX Digital

Dec 2024 – Present | Pakistan · UK · UAE | Freelance, Remote

- Designed UI/UX and brand systems for startups and growing businesses across Pakistan, UK, and UAE.
- Focused on full eCommerce store systems, including product discovery flows, trust signals, checkout architecture, and post-purchase experience.

KEY PROJECTS

UK Government Enterprise Platform

Sole designer on a UK Government digital transformation initiative, delivering 8 interconnected platforms and 200+ screens from discovery to handoff using AI-augmented workflows.

GYB Commerce Website Redesign

End-to-end redesign covering UX strategy, content architecture, visual design system, and live implementation, repositioning the brand to compete at an international agency level.

eCommerce Store Design — Conversion System

Designed a full eCommerce store end-to-end, focusing on the system behind conversion, including product discovery UX, trust architecture, pricing psychology, checkout flow, and mobile-first layout.
