Dear Hiring Manager, I am excited to apply for the Senior Product Designer position at ESL FACEIT Group - EFG. My experience in designing for eCommerce, enterprise SaaS, and government platforms has equipped me with a unique understanding of the complexities and challenges involved in these domains. I am particularly drawn to this role because of the opportunity to work on complex design projects and collaborate with a talented team of professionals. In my current role at GYB Commerce, I have had the opportunity to work on a wide range of projects, including an 8-platform UK Government digital transformation initiative.
